Practice at Home

Create new questions and answers using the verb GUSTAR like the ejemplos/examples to the left. Use past vocabulary from this semester, and past Spanish classes!

Just in case you are in need to how to pronounce some of these words, here is a web site to help you out!! www.spanishdict.com

Notas Culturales / Class Activities

Today we talked about how unfortunately many children in some of the poorer Latin American communities do not go to school. Because of the concept of time parents are more concerned with what happens today and are more likely to send their students to work for money. Some of the jobs children have are selling gum, helping tourists, begging, and washing car windows.
