### Notas Culturales / Class Activities

Delgado is a nicer word to describe a thin person than flaco. Flaco means skinny as in too skinny. Guapo has a feminine form (guapa) and both are used. However, do not use "bonito" to describe a male. Family members may describe each other as they truly are- they call each other "gordo" or "gordita"- and that is commonplace. However, if a person outside the family tries this, expect trouble.
