

## Sentences!

Your child is learning valuable connector phrases this semester that will allow for easy building of complete sentences in Spanish.

Below you will find various sentences using the valuable phrase ¿Dónde está? (Where is or where are?)  
Read the sentence outloud and then have your child give you the English translation either orally or written.  
Parents: If your child is a non-reader then simply read the sentence to your child and have him or her translate orally. If you need to give a visual or physical cue since this vocabulary is brand new.
