### Notas Culturales

Sea turtles nest in coastal areas all over the world, including the coast of Mexico and other Latin American countries such as Panamá, Ecuador, and more. Turtle eggs are a traditional delicacy in many of these areas, which is a problem because of the endangered status of many sea turtles.

Lake Nicaragua is sometimes called *El mar dulce* or the sweet sea. This is because though it is a freshwater lake, sharks live there!

### ¡Cantamos! – Let's Sing

Here are the lyrics to the class

**Animales del Mar**  
**(Animals of the Sea)**  
*(Sung to the tune of  
 "My Bonnie Lies Over the Ocean")*

Los peces nadan en el mar  
 nadan en agua azul  
 Los tiburones y pulpos  
 Y caballitos de mar  
 Nadan, nadan los animales del mar  
 Nadan, nadan, los animales del mar  
 Ballenas también nadan  
 Nadan en agua azul  
 Delfines también nadan  
 Y estrellitas de mar  
 Nadan, nadan los animales del mar  
 Nadan, nadan, los animales del mar
