

¿Qué Tiempo Hace?

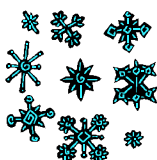

Miguel has always wanted to be on the news! Help him practice giving weather reports in Latin America. Please help him say (in Spanish!) the temperature and weather in each of the following cities. Have your students create their own weather reports or present these in front of the class.

1.) Montevideo, Uruguay 61° F _____

2.) San José Costa Rica 86° F _____

3.) Madrid, España 35° F _____

4.) Mexico City, México 71° F _____

5.) San Juan, Puerto Rico 92° F _____
