The Right Order? Worksheet II	x	x	x

Activities Explanation

Mata La Mosca - Write the Spanish vocabulary words on a sheet of paper. Copy the paper so that there is one sheet for every two students. Place the sheet between two students. Have the students place their hands in their laps. Call an English word. The first student to put his or her finger on the correct Spanish word gets a point. Play to five points and then rotate partners.

More Activities

Birthday card-Have your students make birthday cards for a family member whose birthday is coming. Give the students Spanish phrases to write inside their birthday card and English translations that they can write on the back of the card.

Cake Walk-Write numbers 1-15 on pieces of 8x10" paper and tape them in a large circle in the classroom. (Make sure you push the desks to the side first.) Using the enclosed questionnaire, have the students start walking around stepping on the numbers. When you call out a number (in Spanish) the student that landed on that number needs to answer a question. If he or she answers correctly, that boy or girl will be given a small "pastel." Donuts or hostess cupcakes make inexpensive "cakes." You may want to bring in some fun music to play!
