

## ¿Gusta o Gustan?

On the left side of the paper are the phrases "me gusta" and "me gustan." These are used to show that you like something. There are also the phrases "No me gusta" and "No me gustan." These are used when you don't like something. On the right side of the paper there are both singular and plural objects. Draw a line from a phrase on the left to a phrase on the right to make a sentence about what you like or don't like. Be careful and remember to use the right form of gustar depending on if what you like is singular or plural!
