

¿Similar o Diferente?

Before you start this activity, write down the name of the person in the room that you think that you are most similar to. _____

Now, write down the name of the person in this room that you think is the most different from you. _____

On the left side of this paper you will see a list of objects in Spanish. Place an "X" under "Muchísimo" if you like this object very, very much. Place an "x" under "Mucho" if you like the object a lot. Place an "x" under "Un poco" if you like the object a little. Finally, if you don't like that object, place an "x" under "No me gusta."

Object	Muchísimo	Mucho	Un poco	No me gusta
La escuela				
El color verde				
Español				
El museo				
La primavera				
Un pájaro				

Now walk around and compare answers with your classmates. You are most similar to the student who has the most answers, which match yours. You are most different from the student who doesn't have same answers that you did. Were you your guesses correct?
