¿Qué necesito?

Below, in Spanish, are sentences that are missing a mode of transportation. Each sentence lists two places, and you need to fill in the correct mode of transportation which you would take to get from the one place to the other. Some places are well known, others you may need to look at a map or ask your teacher where they are....

Para viajar de mi casa a mi escuela, yo viajo en _____.

Para viajar de Milwaukee a Chicago, yo viajo en _____.
