

### **Notas Culturales**

- ❖ Latin America is home to the great outdoors! There are deserts, volcanoes, mountains, jungles, rivers, lakes, and oceans. Show your students on the map how diverse the topography of Latin America is.
- ❖ The Amazon River runs through South America and is one of the longest rivers in the world-over 6,000 miles! The Amazon River is home to many amazing species. There have been catfish found there weighing over 200 lbs!
- ❖ Did you know that there is actually jungle in many places in Latin America as well? Even Puerto Rico and Mexico have jungle areas!
