

Notas Culturales

- ❖ Soccer (el fútbol) is the most popular sport in the Spanish-speaking world. Children of all ages find places to play no matter where they live. Adults play it too!

- ❖ Each year in Pamplona, Spain thousands of daring people run in front of many bulls weighing 1,100 pounds! They are only allowed rolled up newspapers to fend off the bulls. The course is $\frac{1}{2}$ mile and it typically only takes only two minutes to run it! Every year there are people are trampled by other runners or the bulls themselves, but each summer more and more people come to run with the bulls!

- ❖ Equipo can mean team and it can also mean equipment. Pay attention!
