

Chichicastenango

Your class is taking a field trip to the small town of Chichicastenango, which is where one of Guatemala's great "mercados" is located. Vendors sell everything you can imagine in the plaza. Let's take a stroll...Tell us what you see for sale!

Voy al mercado y veo.....

¿Cuánto cuesta? How much do you think each thing costs?

Do you know what the currency of Guatemala is? The Quetzal!
