

Di of Fortune!

- Divide your class into two teams. Think of a simple phrase using ser and writes spaces on the board to represent them. Ex: Yo soy (you can play this again when you learn adjectives and make it more challenging-You soy bonita) There would be a _ _ _ _ on the board.
- One person from the first team would roll the di. If he or she lands on anything but a 6 or a 2 he/she can guess a letter in Spanish. Example: The student rolls a 1 and guesses "Hay un 'o'?" Since there is an 'o' the teacher would write the o in on the board and that student would get a piece of candy. He/she would need to hold onto it until the end of the game because if they ever roll a 2 they lose everything, including the candy! Unless the student guesses the phrase, the next team then gets the roll.
- The first team to guess the phrase wins!

Roll a 1-Candy
Roll a 2-Lose everything!
Roll a 3-Sticker
Roll a 4-iNada!
Roll a 5-One free letter
Roll a 6-Lose a turn
