¿Qué tiempo hace hoy?

(Sing to the tune of "London Bridges")

Qué tiempo hace hoy, hace hoy, hace hoy
Hace sol en la playa, en la playa, en la playa.
Hace sol en la playa, sol means sunny!
Hace calor en la playa, en la playa, en la playa.
Hace calor en la playa, calor means hot!

Notas Culturales

This week we learned about San Juan del Sur, Nicaragua. Surfing is becoming very popular here! The landscape and weather here are gorgeous. Nicaragua is a very poor country- second only to Haiti in the Western Hemisphere. There are many dirt roads in Nicaragua and some children in Nicaragua don't go to school past fifth grade. They often have to take jobs selling things on the streets or washing windows to help their families.
