## Notas Culturales

Kids in Mexico like doing a variety of things to have fun, just like we do here. They enjoy going for walks, visiting the beach or the mountains, making arts and crafts, hanging out with friends, playing video games, playing cards, games, and more.

Just like we have “Eeny, meeny, miney, moe” in English, Spanish speakers have their own fun nonsense rhymes to choose things. In Mexico, Puerto Rico and other parts of Central America children chant a version that goes:

“*De tin, marín, de dos pingüé  
cúcara, mácara, titere fue*”

Welcome to the first week of *¡Vamos a Jugar!*  
Today we learned all about *pasatiempos* (hobbies), met our new *amigos* Dani and Beto, and learned a lot of new words!

## ¡Cantamos!

The song below is our class theme song. Sing to the tune of “The Bear Went Over the Mountain”

*Vamos a jugar  
Vamos a jugar con Dani y con Beto  
Vamos a jugar  
¡Ay, qué divertido!*

In English:  
Let's play with Dani and Beto.  
Let's play-  
Ay! How fun!
