

El mapa Board Game

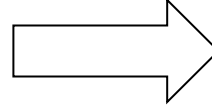

Use the map below as a board game. Have the students roll the dice to move along the board to get from the campsite (*el campamento*) to the celebration (*la celebración*). Each time the student takes his or her turn and moves to a new location, have the student say where he or she is going in Spanish using the phrase "Vamos a". For example: "Vamos al lago." In order to reinforce learning, have the entire class repeat the sentence after each student.

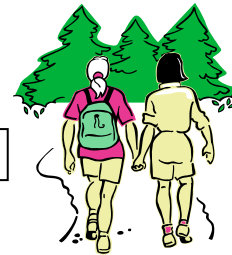

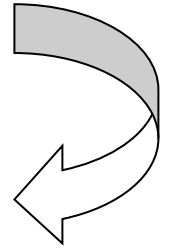

El campamento

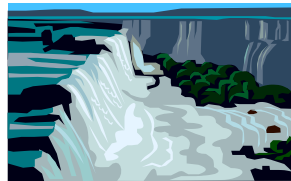

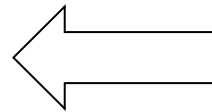

La fogata

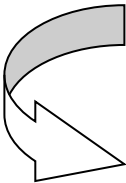

El lago

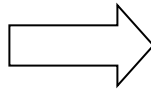

El sendero

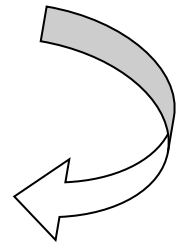

La cascada

La canoa

La cueva

La celebración
