

## Futura Testimonials

### From Program Administrators:

"The kids are responding well and the parents are excited. [The instructor] is great – she is well equipped to handle the youth and she is a great teacher. It is very encouraging to go down and listen to them go through the drills. [Helen S. Change Happens](#)

"A few of the kids have tried to speak to me and then when I respond they say, "Oh we haven't learned that yet." It's so cute. They are trying and I think they are really enjoying it. Thank you for being so great to work with!! 😊" [Dawn C, Principal](#)

"The students absolutely love the class! The teacher is really wonderful she has great games and they really enjoy everything!! When she leaves they are singing the songs! I'm really glad you all choose our school!" [Carla G. Site Coordinator](#)

"The Briargate Extended Day Program really enjoyed the whole aspect of the Spanish classes, the way the staff taught the children through different exercises and games kept them engaged and they remembered what they learned. Not only are the children looking forward to the second phase, the parents are too. I really appreciate the personal connection the staff made with the children". [Dawn A. Site Coordinator](#)

"I'd like to take this opportunity to thank you for providing such great instructors for Woodson's afterschool program. Our Lights on Afterschool Showcase was a big success, and the students have been expressing how much fun they had. Again, thank you and your wonderful instructors."
