

Week 1 Optional Homework: Vamos a Explorar

¡Vamos a Explorar la ciudad!

It is a busy and fun day in the city! Below the map is a list of the places you will visit. You will need to go to two places twice. Write the name of the place in the numbered squares on the map that correspond to the numbers and words below. Use your newsletter if you need help remembering the words and say them out loud for practice. Say the numbers out loud as a good review as well.
