Cantamos- Let's Sing

Here are the lyrics to the class theme song
"Me gusta la música."
Have your child teach you the song!

Los toco y los escucho
Sí me gusta la música*

Internet Suggestion

"Los Pollitos Dicen" is a popular children's song in many Spanish speaking countries. This is similar to "Twinkle Twinkle Little Star" in the United States. The students will be learning to sing this song each week. Practice at home with this Youtube video:
