Practice at Home / Internet Suggestion

Try to unscramble the following classroom vocabulary words as a review. Feel free to use your past newsletters as a reference. Answers will be on next week's newsletter.

Review the SER verb conjugations:

I am- *yo soy*
 you are(informal)- *tú eres*
 you are(formal)- *usted es*
 he is- *él es*
 she is- *ella es*
 it is- *es*

Grammar Notes: When it is a subject, there is not a word for "it." Pronouns can be replaced with names and still use the same conjugation. For example- "*Ella es*" and "*Marta es,*" because Marta is a "she."
