Information

Please contact the Futura Language Professionals Coordinator,
SandyO@FuturaAdventures.com with any questions about Spanish class.

Notas Culturales

Today we talked about how houses in Latin America are very different from ours. They typically don't have yards, so family and friends gather in the Centro or Zócalo. It is also not common for a house in Latin America to have a basement. Many times it is difficult to see the beautiful, big houses in Latin America, as they are surrounded by very high fences.
