Level IV

I encourage you to practice vocabulary at home with your children. They will remember much more! What are the subject pronouns in English and Spanish (ejemplo/example I= yo)

Practice at Home

Answers from last week's Clue/Pista:

1. el autobus- the bus

2. el museo- the museum

Great work! Keep practicing! ☺

Notas Culturales / Class Activities

Today we discussed the salsa and flamenco dances. Salsa is a very popular dance even in the United States today. Salsa originated in Cuba in 1933 and is still very popular in the "caribe." Flamenco is a beautiful traditional dance from Spain that is 200 years old. The dance often contains the snapping of castanets. For many spaniards, flamenco is a way of life.
