Notas Culturales / Class Activities

Sunday is a family day in many Spanish speaking countries. Families often visit the zócalo together. The zócalo is a center plaza in every Mexican city or town. It usually has a large church, trees, flowers, and park benches. On Sundays there are vendors-especially ice cream ones!

Our new musical CDs in Spanish (optional) are available for purchase on our website under online class registration. These are great for additional at home practice and review!
