Notas Culturales/Class Activities

There are two ways of saying "mom" or "mother" in Spanish just like in English. *Mamá* is how you say mom and *madre* is how you say mother. Also, *papá* is how you say dad and *padre* is how you say father.

A great bilingual book to look for at your local library is *Los Cinco Patitos* by Pamela Papparone. You can also listen to the song "Los Pollitos Dicen" on Youtube in Spanish. This is a popular children's song in Spanish speaking countries.
