Usted/Ud. es- you (formal) are

## Notas Culturales

Three out of nineteen Spanish speaking countries use the form "vosotros", which loosely translates as "you all" (informally - y'all). One of these countries is Spain, so it's helpful to know. Sometimes we refer to this as "y'all", similar to what is often said in the southern United States of America.

# Level VI

¡Bienvenidos! Welcome to the first week of Level VI Spanish class. There will also be a parent introduction letter sent home today. Please contact Futura Language Professionals with any questions about Spanish class, and visit our Parent Portal for additional information. We encourage you to practice vocabulary at home with your children. They will remember much more!

## Más Información

There are many words which mean "you" in the Spanish language. If the "you" is only referring to one person, the word is translated either to *tú* or *Ud*.

If the "you" is really "all of you" and is referring to a group of people, the word is translated *Uds*."
