Notas Culturales

The region of Oaxaca Mexico is popular for its different mole sauces. Mole is a complex paste made up of nuts and spices and even chocolate! Mole is often served over meat, seafood or vegetables. Oaxaca is also known for its famous *chile* covered *chapulines* (grasshoppers, which are cooked and eaten alone or as a snack or in tacos. People in Oaxaca sell these at the local markets or *mercados* and at sporting events as snacks. Would you be brave enough to taste a *chapuline* if you visited Oaxaca?

Más Información

Whenever a noun and adjective are next to each other in an English sentence, they trade places when they are written or spoken in Spanish. Underline the noun that is next to the adjective. Then translate the sentence into Spanish. Finally, on the line below it, write the sentence in its plural form.

Modelo: *Miguel is a good boy* → *Miguel is a good boy*.
