

## AR Verbs:

Once you know how to change the endings of the verbs you can easily translate almost any verb that ends in -Ar. Let's try it!

### The endings are:

Yo (I)= o

Tú (you informal)= as

Él /Ella (he/she)=a

Usted (you formal) =a

Nosotros (we)=amos

Ustedes (All of you/"ya'll") =an

\*The rule is drop the end of the verb and add the ending.

Example: Bailar

Yo bailo

Tú bailas

Ella baila

Nosotros bailamos.

Ustedes bailan.

Try and do the same with Jugar:

Yo \_\_\_\_\_

Tú \_\_\_\_\_

Él \_\_\_\_\_

Usted \_\_\_\_\_

Nosotros \_\_\_\_\_

Ustedes \_\_\_\_\_
