

Make a Carnival Mask!

Materials:

paper
glue
scissors
tape
something to color with
Piece of cardboard

2 drinking straws, or a ruler or an unsharpened pencil

OPTIONAL:

sequins
sparkle glue
feathers

Instructions:

Color the mask

Glue the back and stick it on a piece of cardboard

Cut around the mask (You may need to help the younger students)

Cut out the eyes

Be creative!

After you are done decorating the mask you can

Tape or glue the straw onto the mask for holding.
