Activites Explanation

Make me a sentence-Make flashcards with all of the subject pronouns and all of the conjugations of ser. Distribute them to your students. Then, call out a sentence like, "She is!" The person with the "ella" flashcard and the person with the "es" flashcard come up front and make a sentence. You may add cards like "de" and "Cuba" and make sentences like, "She is from Cuba."

Conjugation Buddies -Everyone in class gets a partner. You call out, "I am!" The partners get 60 seconds (or less as they improve) to discuss and write how to say that in Spanish. At the end of the time limit, each team presents their answer. They get 1 point for the correct pronoun and 2 points for the correct conjugation. Continue playing by changing the call. The winning team is the team with the most points.

Di of Fortune-This game is fun and there's an incentive to learn-prizes! Use the attached work sheet to play this game.

Where Are You From Activity-After you complete the where are you from work sheet, have your students divide into couples. Pass around a globe or a map. Each group needs to close their eyes and point to a country, while spinning the globe. Wherever they land is where they are going to be from that day! (Have anyone who lands on the ocean re-spin.) Then have each student draw a picture of himself or herself as if they were living in that country. Emphasize using your imagination! Then have each team come to the front of the room and present their picture. Have them say, "Me llamo ____." "Soy de ____." You can then briefly discuss how accurate their fake names and identities were! This is simply for fun ☺!
