Cantamos- Let’s Sing

Here are the lyrics to a fun “rap” about the rainforest. Sing it with your student! Keep the rap going by adding different vocabulary to the lines like the second verse example.
 Note: ¿Dónde está? means “Where is it?”

Practice at Home

Practice the question “¿Dónde está?” around the house, in the car around town, or while reading a book. You can add any noun into the question to ask where something is. For example: “¿Dónde está el banco?” Where is the bank? “¿Dónde está la camiseta?” Where is the T-shirt?

Also, check out Kotowa Coffee plantation in Boquete, Panama. They give tours to visitors who want to learn about the coffee making process and see the plants.
