

### La granja

Write all of the words in Spanish under the animals found at *la granja* (farm). Say the words out loud to your family for extra practice. \*Tip-Use your newsletter as a reference if you need help!

Practice the sounds the animals make too! Here is a great song video to watch and sing along to at home:

**Juego:** Cut out each of the boxes below to play a game of Memory. Flip the cards over to the blank back side. The first player will start by flipping over two cards trying to find matching images. If they are not a match flip them back over and continue playing. The player with the most matching pairs wins the game.

*vaca, pollo, pato, cerdo, caballo*
