

¡Vamos a la cueva (cave)!

Today in class we explored a cave in Mexico with Dani and Beto during our camping adventure. In the space below, you are going to *dibujar* (draw) a picture of **la cueva (cave)**, complete with a rock climber! Make sure to label your drawing in Spanish using the vocabulary below!

Word bank: *la cueva, las rocas, el casco, negro, gris*

***Practice conversation by asking your friends and family “¿Qué ves?” to hear what they see in your drawings. Tell them what you see from the drawing with the phrase, “Yo veo_____.”
