

Tarea de Semana 8: ¡Frases!

Your child has learned valuable connector phrases this semester throughout the real life camping adventure that will allow for easy building of complete sentences in Spanish.

Practice these on your next outdoor adventure!

Below you will find sentences using the valuable phrases “Yo veo” (I see), “Necesito” (I need), and “Vamos a” (Let’s / Let’s go to). Read each sentence outloud and then write the English translation. Tip: Reference your past newsletters for help as needed.

Parents: If your student is a non-reader, read the sentence to your child and have him or her translate orally.

1. Necesito los palos.

2. ¡Vamos a acampar!

3. Yo veo el lago.

4. Vamos a la casa de campaña.

5. ¡Yo veo la cueva!

Extra! See how many additional sentences you can create in Spanish using “Vamos a, necesito,” and “yo veo” by incorporating vocabulary from Weeks 1 – Week 8. For example, “Yo veo la fogata.”
