Practice the colors in Spanish with the phrase “Yo veo” at home with a game of I spy. When you say, “Yo veo + a color in Spanish” have your child find things of that color.

Notas Culturales

In many Spanish speaking countries fishing is popular. In Chile, where Ana María is from fly fishing is especially popular. Fishing is popular in Mexico too. The most popular type of fishing is sport fishing in the ocean. Even though it may take a while to catch a big fish it is worth the wait! You can catch marlins, tuna, and sailfish on big or small fishing boats, but not in canoes!

¡Vamos a Acampar!

Today we went canoeing in a river with Dani and Beto and their new *amiga*, Ana María.

¡Cantamos!

Víbora del Mar song

This is a popular song/game in Mexico. Sing the following song with gestures from the [video found here](#).

La víbora del mar

A la víbora, víbora
de la mar, de la mar,
por aquí pueden pasar,
los de adelante corren mucho
y los de atrás se quedarán,
tras, tras, tras, tras.
