

**Greeting/Get to know you Conversation Practice:**

Divide class into partners or small groups. Each group will have to create a simple back and forth dialogue using words like, “*Buenos días, cómo te llamas, cómo estás, dónde estás*”. This can be made easy or more challenging, depending on participants’ level.

**Lesson:** Teach the vocabulary from the lesson handout and encourage repetition for practice and pronunciation. Also share culture lesson and any cultural notes from your previous experience related to the lesson vocabulary.
