

Los colores y los números

Throughout our zoo animal adventures we've been counting animals in Spanish and discussing the colors of animals in Spanish. Practice the numbers and colors in this activity!

Below is a list of the numbers with a color next to it. Circle that number below with the color listed. Example: Cinco rojo- circle the number 5 with red.

**Parents: For non-readers, please read each of the numbers out loud in Spanish and have your child write the corresponding numeral.

For help with pronunciation, please visit www.wordreference.com to hear the words in Spanish.

uno= rojo, dos= negro, tres= morado, cuatro= azul, cinco= gris, seis= anaranjado, siete= rosado, ocho= amarillo, nueve= cafe, diez= verde

10 6 1 3 8
 7 5 4 2 9

Label the colors in Spanish and count how many birds you see in Spanish!
