Practice with flashcards

**NOTE:** we will be covering masculine and feminine nouns in detail in beginner's part 2 class (spring semester). However, here are a few tips and tricks about Spanish nouns and adjectives agreement.

- **Masculine nouns:** typically have the article **EL** and the word will end with an **O**. Example: **el zapato** = the shoe
  - If the adjective is “masculine” it will end with an **O**.  
Example: **el zapato caro** = the expensive shoe
- **Female nouns:** typically have the article **LA** and the word will end with an **A**.  
Example: **la bolsa** = the purse
  - If the adjective is “feminine” it will end with an **A**.  
Example: **la bolsa cara** = the expensive purse
