¡Vamos con los animales!

Let's go with the animals!

The background is a vibrant, cartoon-style illustration of an underwater world. The water is a mix of light and dark blue with white bubbles of various sizes. The seabed is a sandy yellow-orange color, dotted with various types of coral and seaweed. On the left and right sides, there are large, branching coral structures in shades of orange and red. In the foreground, there are several clumps of green seaweed with long, wavy blades. There are also some pink and purple coral-like structures. A few small, five-pointed starfish are scattered on the sand. The overall style is bright and cheerful, suitable for a children's educational book or presentation.

A vibrant, cartoon-style illustration of an underwater scene. The background is a deep blue with lighter blue wavy patterns representing water movement and numerous small white bubbles. In the foreground, there's a sandy ocean floor in shades of orange and yellow. Various marine plants are scattered across the seabed: tall, branching red coral on the left and right; green seaweed with long, wavy blades; and clusters of pink, tube-like coral. A few small, purple, star-shaped organisms and a red starfish are also visible on the sand.
