El desfile de moda (Fashion Show)

Step 1: Choose ONE outfit to model in our fashion show!

Your outfit can be silly or fancy or funny. Be sure to select some interesting accessories. **You must be able to put your outfit on *over* your regular clothes OR pin your outfit to the front of your clothes using clothespins.** (We will not be able to go to the bathroom to change.) Ask a parent to help you select some good items to wear. Bring these items to school in a bag clearly marked with your name.

Step 2: Write a paragraph in Spanish describing your outfit.

Use the clothing vocabulary from your packet and the fashion show vocabulary (on the back of this page) to write a description of your outfit. **This paragraph will be collected for a grade.**

Step 3: Choose a partner. (We can also have groups of three.)

Your partner will read your paragraph while you are walking down the runway. Make sure you write **neatly** so your partner can easily read your paragraph.

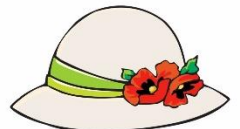

Step 4: Practice! Practice! Practice!

Practice reading your partner's Spanish description of his/her outfit. Use a good announcer voice. Ask Señora Fiedler for any help with pronunciation. Practice walking down an imaginary runway. Remember, *fashion models have some attitude!*

Step 5: Perform!

We will perform our fashion show together as a class, complete with fashion show background music. Your classroom teacher(s) and Mr. Oberdorf will be our audience.
