Notas Culturales

This week, students explored *fútbol* as a global sport enjoyed throughout Spanish-speaking countries. They learned that in places like Argentina, Uruguay, Mexico, and Spain, soccer is more than just a game—it is a big part of culture and community. Students also discovered how fans celebrate with songs, chants, and cheering during matches, including well-known songs like “*Cielito Lindo*” and “*La Copa de la Vida*” by Ricky Martin, which are often heard in stadiums and during international tournaments.
