¡Vamos a Ganar!

Today we continued our sports adventure by learning about the Olympic Games! Students explored Olympic sports, athletes, medals, and teamwork while practicing new Spanish vocabulary through games and activities. Day 2 was full of energy and excitement!

Notas Culturales

Today, students learned about the Olympic Games and explored how different Spanish-speaking countries celebrate sports and athletes. Students discovered that Mexico City hosted the Olympics in 1968 and that Barcelona hosted in 1992. We also talked about sports that are popular in countries such as Cuba, Colombia, and Spain while practicing encouraging Spanish phrases like “*¡No te rindas!*” and “*¡Inténtalo otra vez!*”

Information

Visit the Parent Portal on our website for additional practice opportunities. Please contact the Futura Language Professionals Coordinator, coordinator@FuturaAdventures.com with any questions about Spanish class.
