la manzana – apple

Conversation Practice

*Me llamo*____ - My name is____
¿Cómo te llamas? - What is your name?
Hola - Hello
Adiós - Goodbye
¿Cómo está el clima hoy? – What is the weather today?

Notas Culturales

This week, students learned about Hispanic Heritage Month, which is celebrated from September 15 to October 15 in the United States. We explored the cultures, traditions, music, foods, and contributions of Spanish-speaking communities around the world. Students also discussed how weather and seasons can be different in various countries, including places that stay warm year-round or have rainy and dry seasons instead of four distinct seasons. Through these conversations, students practiced appreciating cultural diversity and learning how people around the world live, celebrate, and adapt to their environments.

Welcome to the first week of *¡Vamos con las Tradiciones!* (Let's go with the Traditions!) Today we learned about fall and explored different types of weather, played interactive games, sang songs, and discovered many new words related to the season.

Be sure to check out our Student & Parent [Portal](#) for more resources including weekly Optional Homework, songs, and more!

Cantamos – Let's Sing

Vamos con las Tradiciones
El otoño ya llegó y hace viento
¡Hace viento!
Las hojas caen ya, rojo y amarillo
¡Rojo y amarillo!
Nieva en el invierno, ponte tu gorro y
bufanda
Vamos con las tradiciones en el frío,
¡Brr, brr, brr!
